In re Application of

Application No. 08/755,438

Filed: November 22, 1996

For: Broadband Telecommunications System Interface

Dear Mr. Joseph S. Christie and Ms. Jean M. Christie:

You are named as legal representatives of a deceased joint inventor in the above identified United States patent application, filed under the provisions of 35 U.S.C. 116 (United States Code), and 37 CFR 1.47(a), Rules of Practice in Patent Cases. Should a patent be granted on the application you should be designated therein as the legal representatives of joint inventor Christie.

As legal representatives you are entitled to inspect any paper in the file wrapper of the application, order copies of all or any part thereof (at a prepaid cost per 37 CFR 1.19) or make your position of record in the application. Alternatively, you may arrange to do any of the preceding through a registered patent attorney or agent presenting written authorization from you. If you care to join the application, counsel of record (see below) would presumably assist you. Joining in the application would entail the filing of an appropriate oath or declaration by you pursuant to 37 CFR 1.63 and would assist in ensuring that you are properly indicated on the face of any patent as the legal representative of the deceased inventor.

Telephone inquiries regarding this communication should be directed to the undersigned at (703)305-9285.
